

# TELARUS

## Support

## Dedicated to Delivering Excellence

Telarus Support is your trusted ally throughout your entire sales process—delivering quotes, processing orders, protecting commissions, and resolving issues with unmatched expertise. With a relentless focus on advisor success, Telarus Support works behind the scenes to remove friction, protect your revenue, and accelerate your sales cycle.

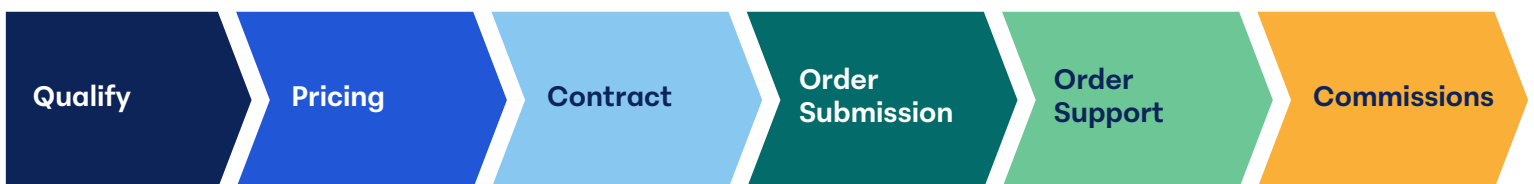

**Close Deals Faster:** Industry-leading response times for pricing and deal registrations keep your opportunities moving so you can respond quickly and win more business.

**Protect Your Revenue:** Our team actively monitors commissions and works directly with suppliers to resolve issues and quickly recover the revenue you've earned.

**Expect Quality at Every Touchpoint:** Our process prioritizes accurate, reliable, personalized communication—so you receive meaningful updates when they matter most.

## End-to-End Oversight

From initial quote to final payment, Telarus Support manages every detail to keep your deals moving faster.

# 2 Hours

Most quotes are processed in 2 hours or less, keeping your deals moving.
